Practical Wisdom for Memory

On Wednesday, January 3, 10:30 am, we'll begin a discussion on memory, what it means, how it changes, how to preserve it, and when to be concerned. A selection of books on the topic will be available to borrow for discussion at the February meeting.

4-H Makers' Club

Beginning on January 22, a new weekly club for kids age 9 (grade 4) and older will meet on Monday afternoons from 3:30 to 5:00 pm. Come explore a variety of maker projects, from coding and electronics, to textiles, art, models, mousetrap cars, and more. 4-H/UNH Cooperative Extension Science Educator Claes Thelemarck will lead. The first meeting on January 22 will be a "bring your parents" day when parents are invited to attend along with their child(ren) and see what the club is all about. Volunteer assistants for this program are needed, please contact Mary at the library if you are interested in learning more about volunteering. Training will be provided!

Brown Bag Book Group

Wednesday, January 24, 12 noon. This month's book is *Stranger in the Woods: The Extraordinary Story of the Last True Hermit* by Michael Finkel.

Groundhog Day Buffet

(a.k.a. Cookbook Book Club), Friday, Feb. 2, 4:00-5:00 pm. Borrow a copy of *Salt, Fat, Acid, Heat: Mastering the Elements of Good Cooking* by Samrin Nosrat ahead of time (copies available mid-January), bring a dish you made with one of the recipes (or one that was inspired by the book.)
