**November 2024 newsletter: Vol. XXI No.11**

**Children's Art Show:** For November and December, we will have an exhibit of local young children's art showing their unique interests and phases of development, curated by Lauren Sayers.

**Libraries are for researchers. We have two new resources for you to know about:**

**Westlaw:** Thanks to the New Hampshire Law Library, non-attorneys or attorneys who are not working on behalf of a client can get remote access to Westlaw, a premier legal research database, right here in Tamworth. Access is provided on one of our library's public computers (i.e., only at the library).

**World Book:** We now offer World Book encyclopedia online at the library and from your own device. All you need for access is a library card. World Book is available in two levels, one for kids grade K-4, one for grade 5 through adult. Find the link to World Book on the library's website

#### **Meetings:**

- **Bookmobile Committee**, Monday, November 4, 4:00 PM
- **Library Trustees meeting**, Monday, November 11, 5:30 PM
- **Friends of CML Executive Board**, Tuesday, November 12, 6:30 PM

**Outdoor Nature-based Storytime for young children**, every Tuesday at 10:30 AM outside behind the library. Be sure to dress for the weather!

**Board Games**, Tuesdays, 5:00-8:00 PM. For teens and adults. Come play a variety of board games in our historic front room. Feel free to bring a game you'd like to teach others.

**Bingo Club:** No cost to play, for fun only! Come play Bingo in our meeting room from 1 to 2 pm, alternating Mondays and Wednesdays, skipping holiday weeks. This month, Bingo Club will meet on November 4, 13, and 18. We are seeking donations of gently used or like new items that would make small, fun prizes. If you have something to donate that might work as a prize, drop it off at the desk.

**Veterans Day:** We're looking for people to provide refreshments and help set up and clean up for a post-Veterans Day ceremony reception at the library on November 11, which will take place inside the library after the 11:00 AM ceremony at the Tamworth Veterans Monument. Find a sign-up sheet at the library, or contact us to let us know. Thank you!

**Mountains to the Sea** writing group, Wednesday, November 13, 10:30 AM online via Zoom: A partnership between our library and the Peaks Island (ME) Branch Library, the group meets monthly on Zoom to write and read together. Register to join at <https://bit.ly/mtns-sea-24-25>.

**An African Safari**, Wednesday, November 13 at 6:30 PM, a presentation by June Aprille and Nelson O'Bryan, who will share video clips and still photographs taken during a safari to Zambia's South Luangwa and Lower Zambezi national parks. Among the animals depicted are a pack of wild dogs, nesting flocks of carmine bee eaters, elephants learning new ways of foraging, and the mating behavior of leopards. You will also get an idea of what a day on safari is like for the participants.

**TTRPG Players Meeting**, Saturday, November 9, 1:00 PM: Adults (18+) who like to play table-top role playing games are invited to meet with other players and organize winter games.

**Tamworth Town Records Transcription** volunteers will meet on Wednesday, November 20 at 6:00 PM.

**First annual International Survivors of Suicide Loss Day** for Carroll County will be held on Saturday, November 23, 2024, from 10:00 AM to 1:30 PM, in the library's meeting room. This event will be an opportunity for local individuals, friends, and families who are Survivors of Suicide Loss to gather, share, support each other, screen and discuss a documentary, and connect to local community supports. Lunch will be provided. Non-Loss Survivors may also register to attend.

Register to attend at <https://tamworth-new-hampshire.isosld.afsp.org>.

The Carroll County event is sponsored by the American Foundation for Suicide Prevention NH Chapter and the Carroll County Coalition for Public Health, in partnership with the Tamworth Community Nurse Association and the Cook Memorial Library.

Join Cook Memorial Library and Chocorua Lake Conservancy for "A Winter of Water," the theme for this season's Climate & Community series of programs.

We will kick off the series with an **online book discussion** of *Water Always Wins: Thriving in an Age of Drought and Deluge* by Erica Gies, which will be held on Wednesday, January 22 at 6:30 PM on Zoom. Register for the Zoom link at <https://bit.ly/cml-clc-1-22-25>

We have 10 copies of the book available to borrow now from the Cook Memorial Library. Read and return so others can have a chance to read it before the discussion.

**Poetry Hour**, Monday, November 25 at 5:00 PM. Come read and/or listen.

**Our 2025 "Community Art at Cook Memorial Library" Calendars** are for sale at the library for \$15 each, or 2 for \$25. These are 7" square (7" x 14" when open) with full-color photos, a fundraiser for our Friends of Cook Memorial Library.
