

**What are you doing to get ready for summer?** We've put up the canopy tents behind the library, added an umbrella to the picnic table in front of the library, and Friends and volunteers planted flowers in the window boxes. Green Mountain Conservation Group helped us install two rain barrels to water the flowers. We have a number of exciting new and returning programs coming up in the next three months, and your library staff is working hard to get them all up and running.

**Wondering about changes to library hours, services, protocols?** Read all about them at <https://tamworthlibrary.org/2021/05/updates-to-hours-and-services/>. Short version: The library is open. Wear a mask whenever you're inside the library, have one with you for outside programs, to wear when social distancing isn't possible.

### NEW HOURS

Monday & Friday 10:00-5:00

Tuesday & Wednesday 10:00-8:00

**Saturday 10:00-4:00**

**Art Exhibit:** This month's exhibit features work of young Tamworth artists. Stop in the library to see this joyful exhibit of mixed media art created by students of Ms. Driscoll at the K. A. Brett School. Don't miss this one!

### New-to-Tamworth Info Fair,

**Saturday, June 19, 2:00- 4:00 p.m.:** Please come to an outdoor event to welcome and connect new Tamworth residents with information about services, opportunities, and activities for kids and adults that are part of living in Tamworth. (Rain Date is June 26.) Meet representatives from over 20 organizations, at tables in front and in back of the library. They will share information about who they are and what they do, and how people can join them or benefit from their services. Invite your new neighbors, and please come even if you're not new to Tamworth, it will be fun!

### Rain Barrel Workshop Saturday, June 12 at 2:00

**p.m.:** All are invited for a workshop that will meet in-person outside the Cook Memorial Library. Using the library's newly installed rain barrels as an example, Moselle Spiller, Outreach Coordinator for GMCG and volunteer Tim Otterbach will talk about rain barrel materials and installation, demonstrate how to connect to a hose and watering equipment, and answer questions. Please register ahead of time by emailing [info@gmccg.org](mailto:info@gmccg.org).

### The Vagabond Quakers: The Story in History: Tuesday,

**June 15, at 7 p.m.** online on Zoom, local author Olga Morrill defines what is fact and what is fiction in *The Vagabond Trilogy*, her historical fiction series. Book 2, *Vagabond Quakers: Southern Colonies*, was published in April 2021. This virtual talk is hosted by the Conway Public Library. Sign up for Zoom access at <https://bit.ly/3vxMAyg>.

### AdventureQuest: Tuesdays, June 22, 29, July 6, 13,

**20, August 3, 10 from 3:30-5:30 p.m.** This tabletop role-playing game for children ages 9-12 years old (grades 4-6), is back for a new season this summer. The seven-episode season will meet outdoors at the library,

following the library's current safety protocols. Enrollment is limited to 7 participants. Visit the library's website for more info and link to the registration form.

**Summer STEM program:** Thanks to The Tamworth Foundation and Carroll County 4-H, we will offer a four-session program for kids ages 8 to 12 that will explore wind and water power, hydraulics, and other mechanical concepts in a fun, hands-on way. This program will take place on **Friday afternoons from 3:30 to 5:00 p.m. July 2, 9, 16, 23**. Visit the library's website for more info and link to the registration form.

**Our 2021 Summer Reading Program's theme is Tales and Tails! June 21-August 21** Sign up for a summer of reading, fun programs, and prizes! This program is for all ages. Stop in to sign up and pick up a reading log and list of events.

**Storytime for Young Children:** Meet outside behind the library on Tuesdays at 10:30 a.m. for a time for stories and outdoor play and learning.

**Tamworth Mobile Library coming soon!** Thanks to the

Tamworth Foundation, you may spot our pop-up mobile library around town this summer. Updates and route schedule will be posted on our website.

**Plant Sale: Friends of Cook Memorial Library and Carroll County Altrusa** will hold their annual plant sale fundraiser on **Saturday, June 5 from 9:00-1:00** at the K.A.

Brett School. They will also sell calendar raffle tickets. Please support the good work of these two volunteer organizations.

**Supporting Early Literacy:** Our Friends of Cook Memorial Library collaborates with Carroll County Altrusa to provide Baby Book Bags to new parents in Tamworth and to support the 1,000 Books Before Kindergarten program. This year, grant funds will enhance these programs! Read all about it (and see some of their friendly faces) at <https://tamworthlibrary.org/2021/05/early-literacy-support-from-our-friends-and-altrusa/>.

**Ordination Rock Independence Day 5K Race:** Regretfully, but practically and realistically, Library staff will not be organizing this fun fundraiser in 2021. Plans are to bring the 5K race back in 2022!

**Passes:** Borrow a pass for reduced admission to the Squam Lakes Natural Science Center in Holderness and free admission to the Libby Museum in Wolfeboro! Read full details at <https://tamworthlibrary.org/find-info/museum-passes/>

**Policy Update:** The CML Board of Trustees updated the Circulation Policy, which determines the privileges provided by a library card. Read more about this at <https://tamworthlibrary.org/2021/05/library-card-policy-update/>

**Mark your calendars!** Music on the Lawn and Riverside Serenades begin in July. Find schedules and the lineup of musicians at <https://tamworthlibrary.org/summer-music/>.
