

Ordination Rock July 4th Family Day 5K Race begins at 8:30 a.m. at Ordination Rock on Cleveland Hill Road, and ends at the K.A. Brett School. Stop in the library for a registration form, or download from the library website. The registration fee of \$15 benefits the library. Race day registration and race bib pickup is from 7:00-8:00 a.m. at the K.A. Brett School. Rides to the start are available.

Our Summer Reading Program theme is *A Universe of Stories*. All ages may participate. Babies, toddlers, and preschoolers may begin or continue with the *1,000 Books Before Kindergarten* program. There is a fun early literacy activity sheet for the youngest children. School-age kids will keep count of the books they read, and bring in tally sheets each week for a prize and a popsicle. Teens and adults will keep track of books read, and add them to the town-wide total. Everyone who participates will get a square or two to add to the huge sticker mosaic poster and reveal a famous image.

Summer Reading Counts! Cook Memorial Library and Chocorua Public Library are teaming up to count how many books Tamworth reads this summer, and celebrate the results. Readers of all ages are invited to drop a coin in the summer reading jar at either library, now through August 17. We'll use the money collected to throw a party for our community of readers. You may also phone in your count, or submit online. Our August newsletter will have party details. Go to the library's website for more information.

Time to Write for ages 11-15, led by Louise Wroblewski on Fridays July 12, 19, & 26 at 10:30 a.m. Bring notebook or journal, laptop or tablet. Sessions begin with a quick writing exercise, then time for your own writing. Become part of a community of writers supporting all types of writing.

Calling artists ages 11-15: In August, we'll print a 'zine with work from the *Time to Write* group. We want art to be included as well! Send or bring your artwork to the library by Friday, August 2. The 'zine will be put out around town and online.

View the Moon, Jupiter, and Saturn on Saturday, July 13 at 8:30 pm. Astronomer Marc Stowbridge will bring telescopes and show you how to see places in our solar system.

Global Launch: On Tuesday, July 16 at 3:00 pm, join the worldwide celebration of the 50th anniversary of the Apollo 11 launch with your own rocket! UNHCE's 4-H science guy Claes Thelemarck will help you make a stomp rocket to launch.

Get Productive with Google's Professional Tools workshop, Wed., July 17 at noon. Bring your lunch and learn how to use Gmail, Calendar, Drive and other apps more efficiently at this livestream viewing party presented by *Grow with Google*.

Algonquian Lifeways in the Lakes Region, Tuesday, July 16 at 7:00 p.m. Chocorua Lake Conservancy welcomes Mary Ellen Lepionka, who will talk about how Native Americans used the land and resources around Chocorua, Ossipee, and Winnepesaukee to make their living.

Baby Games: Join us on the Village Green in front of the Tamworth History Center on Saturday, July 27 at 10:00 a.m. Bring a baby for fun time with bubbles, balls, and more. **Solar viewing** from the Village Green at 11:00 a.m. after the baby games: Marc Stowbridge will have solar telescopes and everyone will have the chance to look at the sun safely.

CML Book Group will meet on Wednesday, July 31 at 1:00 p.m. to discuss Jason Reynolds's young adult novel *Long Way Down*. Teens are welcome! Borrow a copy of the book to read ahead of time. Lemonade and cookies, too.

Poetry Hour, *reading Sharon Olds and more*

Wednesday, July 31 **1:00 p.m.**

CML Book Group, *Long Way Down*

All of these programs may make you wonder if there's any peace and quiet at the library. The Ulitz Genealogy and History Room, on the ground level (downstairs), is now reserved for quiet study from 10 a.m. to 5 p.m. on days the library is opened, with very occasional exceptions for library programs. Cool and quiet, with a view of the river.
