

Carpeting/painting project: CML is getting new carpet and exterior painting in September. Beginning on Monday, September 16, the library building will be closed while the projects get underway. We plan to reopen on Wednesday, September 25. Rather than close up for 9-10 days, we'll open a temporary library at the Tamworth Town House at 27 Cleveland Hill Road, just down the street from the library. Find details about library hours and available services during the renovation projects on the attached flyer.

Book sale donations in September: Book donations for the Friends of Cook Memorial Library monthly book sale will only be accepted September 3-10 this month. We cannot accept any donations after September 10 due to the carpeting project. We'll accept donations again as usual in October.

Art exhibits: Don't miss *What Tangine Said*, photographs by Joel Rhymer, on exhibit through September 30.

For October and November, Lucy Gatchell will curate another **community art exhibit** with the theme *In Praise of Trees!* If you have a piece of tree-themed art (by you or owned by you) to share for the exhibit, contact Lucy by September 20 at 323-9994 or lucygatchell@gmail.com.

Sticker mosaic: Summer readers ages 10 and up have been adding tiny square stickers to a big mosaic poster behind the desk. We hope to finish it before summer ends on September 23. Keep reading! Keep adding stickers for each book when you stop in! See if you can guess what the famous image is!

PROGRAM CHANGES

Our adult book group time will move to the third Monday of the month at 5:30 p.m. beginning in October. There will be no meeting in September due to the carpeting project.

Lego Club: Rachel Anderson has volunteered for the past four years to run Lego Club for kids ages 5 to 8. She is taking a well-deserved break, and there's a place for someone new to lead the group. If you are interested in volunteering, see or contact library Director Mary Cronin.

Tat Schmidt got our chess club up and running last fall, but over the summer has moved; attendance dropped off. If you are interested in on-going chess club, let Mary or Amy know.

Tech Tuesday evening edition: Beginning in September, Karen Vitek will offer tech help on the *second Tuesday* of each month from 6:30-7:45 p.m.

Wifi: Our library Trustees' Technology Committee recently discussed public wifi at the library, and has decided that both channels will now be passworded, which will be more secure. We'll post the password at the library when it is set up.

One Book One Valley kicks off this month. Our multi-community annual common read is *Becoming Nicole* by Amy Ellis Nutt. See handouts or onebookonevalley.org for schedule of events. We have several copies available to borrow. The author will speak on October 24 at Kennett High School. Our library will cohost a screening of *Screaming Queens* followed by a discussion at the UUFES Meetinghouse on September 25 at 7:00 p.m. Laura Hodgman will introduce and facilitate the discussion. On October 23, Laura will present a program at Cook Library called *No Cinderella Story*, based on an oral history project she conducted in Tacoma, WA.

Cool Critters in the River: On Saturday, September 28 from 10-11 a.m., come explore the Swift River and discover macroinvertebrates with Tara Schroeder, Education Coordinator for Green Mountain Conservation Group. Plan to get wet. Sponsored in part by The Tamworth Foundation.

Friends' annual meeting and luncheon will be held at the Town House on Saturday, September 28 beginning at 11:30 a.m. followed at 12:30 p.m. by a talk by Terry Farish, NH Humanities' Connections Adult Literacy Program Coordinator.

Friends of Cook Memorial Library are holding their annual membership drive. If you are interested in membership in the Friends, a 501-c-3 organization that supports our library, find membership forms at the library.
