2021 Library Budget: See fifth draft. Amount of 2020 funds to be returned to town will be calculated after bookkeeper closes out 2020 on Jan. 12, provided all statements have been received. The Town Report will not be printed by the prison, so the Town is hoping to keep the reports as brief as possible. We will need three pages. Draft 6 has been sent to the Board via email. There is a change that came in after that draft as well. The phone rate went up. The increase is approximately $160 year. The electric rates will be increasing approximately 5%. Town appropriation is $175,320. Mary will send a new version 6 that has all up to date amounts. Discussion ensued about the library budget. Most of the money comes from taxes, with some from the Friends and through grants and donations. A motion to approve the 2021 budget draft 6 ($205,380 total, $175,320 town appropriation) was made by Evan, seconded by Anne.

1. Library hours: Hours for January were changed to Mon., Tues., and Fri. 10-5, Wed. 10-8, Sat. 10-2. Differences from usual hours are closing earlier on Tuesdays and Saturdays, which is 5 fewer public hours per week. Continue same hours for February? The hours will continue through February, and this will be revisited in March.

H. Library Director’s Report:
1. COVID-19 Pandemic: We suspended outdoor storytimes and group meetings in the meeting room at the end of December due to the uptick in local cases of COVID-19. If local new infections and active cases level off, Amy and Polly would like to resume outdoor storytimes with renewed safety and distancing protocols after the Martin Luther King, Jr. holiday. Short, very small group meetings (five or fewer) could resume at same time. The local COVID-19 situation is being monitored, and services will be adjusted as necessary. MWVEC had a meeting that featured Dr. Laracy, which indicated that friends and families are the common transmitters of Covid.

2. Staff: A staff meeting is being planned for February. We will close the library for a couple of hours on a Monday as we have for recent staff meetings. These meetings have been very helpful.

3. Programs: Zoom storytimes are not well attended. Parents prefer to avoid screenshine for their little ones. Other online programs are doing well: Louise Wroblewski’s writing programs will continue through May, and the Pontine Theatre holiday program we organized for December had about 50 people attend on their own schedule. Reviews of the Pontine program were very positive.

5. Kanopy Streaming Video was started at the beginning of January. There are seven users at this time. Anne recommends viewing Fishermen's Friends on Kanopy. Kanopy is for those with resident and part time resident cards.

I. New Business:
1. Jeanne O’Callaghan donation of three woodcuts by Willey Fromm: Trustee chair to sign letter of agreement for donated materials. We own the woodcut but we do not own the rights to reproduce the art, so we cannot put pictures of them on the website.
2. Report on Town Budget hearing January 7. Electric is going up. Custodianship of town buildings was discussed. The Selectmen have budgeted for a full time custodian for the town buildings. The library is not included.
3. 2020 funds to carry over to 2021 budget, $17,811 as follows:

4. We are coming up on a filing period, but because the Town Meeting date is unknown, the filing deadline is unknown. If the Town Meeting is happening on time, the filing period will begin next week and end on January 29. (Allie, Betsy and Paul will need to refile and run.) Committee assignments - typically done in March, but we may be able to do this in February. Anne feels that members should start thinking about what committees they are on, and if they are interested in remaining on those committees, as well as any changes. Mary will send out the existing committee list and committee descriptions.

J. Committee Reports:
1. NH Library Trustees Association: Anne Chant - We are featured in the Trustee newsletter. January 27 at 2 pm, there will be a virtual roundtable. The May conference will focus on anti-racism, planning ahead, etc.
2. Nominating: Selectmen have appointed Paul Priestman to fill vacancy on the Board of Trustees.
3. **Friends of CML:** Next meeting is January 12 at 7:30 p.m. on Zoom. The Annex committee has been busy organizing the book sale room, coming one at a time to work on that. Sheryl reports that the Annex book sale room is being sorted. They did sales at the Farmer Market. They have three new board members. They are wondering if the trustees would allow them to have two members in the Annex at once. Mary feels that once the meeting room is opened back up to small meetings, that this could be a possibility.

4. **Building & Grounds:** Burners have been serviced. New filters were installed to bring them up to code. The cost was $1700, due to filters that were required for filtering emissions. The work was done by a company from Effingham, AirDuct Plus.

5. **Policy:** Working on Earned Time policy to replace Vacation, Sick Leave, Bereavement Leave, and Personal Days policy, and Holidays policy. Set up committee meeting to draft new policy, and schedule meeting with staff for input and discussion. Robin is waiting for some information from Melanie Streeter regarding what the Town had found for information about this. Once we get this information, a committee meeting will be set up. Mary also asked about a policy for non-resident cards.

6. **Personnel:** Library Director’s Goals for 2021 are coming soon.

7. **Technology:** Network upgrade will be scheduled as soon as parts arrive. A Chromebook was ordered with 2020 technology funds. It will arrive in February.

8. **Strategic Plan, services for older residents:** Mary Cronin will meet again with statewide group interested in telehealth and libraries. A Valentine’s Day card/penpal initiative is in the works to connect community members with shut-ins and nursing home residents.

9. **Strategic plan, teen engagement:** Mary and staff will work on all ages virtual programming that welcomes teen input for both planning and participation.

10. **Strategic plan, deeper community connections and understanding:** The “Face to Face: Zoom Conversations with neighbors” series of programs are underway. Amy has heard a lot of positive feedback about the series, and there are a lot of community members involved in the planning, promotion, and presentation. The film showing of “Communities and Consequences II: Rebalancing New Hampshire’s Human Ecology” will take place on Tuesday, January 26. Mary has spent a good amount of time coordinating this event that will have regional and statewide participation, promotion, and attendance. Mary has a meeting scheduled with PBS. Panelists are being lined up. Mary has asked the MWVEDC to assist with promotion. The film is available on the PBS website. The event will take place at 6:30 pm.
