Big House Chamber Players performed a Saturday afternoon concert, and local poets celebrated and read aloud the poetry of Mary Oliver and others. Storytime is back to its usual strong attendance. Amy Carter is working on ways to meet the needs of baby lap sit attendees who are becoming toddlers. 4-H Makers Club continues to meet and is working on rockets this month. Lego Club was held in May due to a parent’s request. AdventureQuest for teens will wrap up season two on May 14. Race activities begin at 7:00 am and end about 10:00 am. There will be no swag this year, because of the cost and a lack of sponsors. There will be a selfie booth like last year.

H. New Business:

Friends will pay for the flowers, and will look for volunteers to take on this project beginning next year. They are still looking for donations of perennials. Drop off at Robinsons or Baybutts. There are some raffle tickets available at the Library. June 1st the drawings will begin.

It is time to decide so carpet can be ordered. Samples were set out for over a week to gather public and staff input on carpet pattern and color. Skip will contact Bill Trammel. 8. Strategic Plan update, programming for teens: We will be notified soon if grant request to Ossipee Valley Rotary Club for a summer season of AdventureQuest will be granted. If so, the goal is to use the summer season to develop participants’ leadership and cooperation skills so that they can take ownership and begin to run their own game. If we can not get funding, we can buy a D&D starter kit and do it ourselves.
