Town of Tamworth updates: Due to Governor Sununu's Executive Order on 03/26/2020 all changes that have been put in place for the Town Offices, Town House, Town Clerk/Tax Collector, Transfer Station and Recreation Department will remain in effect until 05/04/2020. If you have any questions, please feel free to contact the Town Office at 323-7525. Committee meetings will be determined by the committees and posted accordingly.

End 68 Hours of Hunger update: First of all thank you to everyone for your kindness in donating food so we could continue giving food to the towns children who need it for the weekend. Because of your generosity we were able to fill 40 bags and deliver them Friday. This is to let you know that this need is continuing and that our drop off hours have changed. There will be a drop off box at the front entrance of the K. A. Brett School on Monday, Wednesday, and Friday from 10am to 2pm, or we can pick the items up for you. You can contact Donna Ulitz at the Brett School at 323-7271 ext. 304 or email her at dulitz@tamworth.k12.nh.us.

Here is the list of items that will be needed each week: Canned tuna or chicken, canned veggies, soup or ravioli, ramen noodles, mac and cheese, peanut butter, jelly, mayo, fruit cups, applesauce cups, peanut butter or cheese crackers in packages, saltines or ritz crackers, granola or cereal bars, oatmeal packets, cereal.

Thank you for your kindness and generosity during this time. -Kathi Brown

CARES Act info for small businesses: Mount Washington Valley Economic Council shares The Small Business Owner's Guide to the CARE Act, outlining what assistance is available, and answering frequently asked questions. Online: <https://files.constantcontact.com/0c6bb1fb001/21aad0e4-aa03-4420-a560-6ff7e73e943f.pdf>

Community School Farmstand: The farmstand at The Community School is stocked with two freezers and a little fridge. One freezer and the fridge have the Prills' ZeroMile Farm grass-fed beef and TCS eggs at set prices. The other freezer is full of frozen soups, rustic loaves, and shepherds pies that are available by donation. Our hope is that families who are really hurting financially because of the corona virus can take what they need for a nominal donation or even for free and that those who have the means will make larger donations to make restocking the freezer possible.

There are also kids "thinking" toys like tinker toys and legos and younger kid books that folks can take for free to help keep active youngsters busy at home.

Right now, the freezer is stocked with lamb and white beans; pasta e fagioli (vegetarian); chicken and noodle soup; three whole grain rustic loaves; and pork and cabbage shepherd-style pies. The ZeroMile Farm freezer has grass-fed burger, steaks and roasts at set prices.

There is no need to hoard or stockpile these goods. We are prepared to regularly restock the freezers. Take what you need but think of others. Please bring your own bags and use the hand sanitizer provided upon entering the farm stand.

Take care! - Lianne Prentice and Ean Prill

More local farms offering food for sale:
