Town of Tamworth: Selectmen's and some other town committee/board meetings are now livestreamed (shown online as they are happening) when possible on the Government Oversight webpage at <https://www.governmentoversite.com/>. You may also find recordings of past meetings there. For a schedule of town committee and board meetings, see the Town of Tamworth website at <https://www.tamworthnh.org/>, or call 323-7525.

K.A. Brett School news: This Wednesday, April 15th, the K. A. Brett Staff are going to have a parade!! Our staff will be divided up to follow the four buses on their usual afternoon bus run, beginning at 11:00 a.m. We'll be driving by to wave, honk our horns, and just say "hi". Students and parents should show up at your regular afternoon bus stop, maybe a little earlier than the usual drop off and join in the fun! If your stop is one with other families, please be safe and practice social distancing. We are excited to see you all but safety comes first. If you are a walker, maybe you could spread out and line the street by the school as we leave. Our local Police Department will be on hand to direct traffic and keep us safe.

If you don't have a child at the K.A. Brett School but live near the bus route, consider coming out for the parade--maintaining the 6-foot minimum distance--to thank the teachers and encourage the students to keep up the good work!

Mental Health link for the day: Now Matters Now, suicide prevention, <https://www.nowmattersnow.org/skills>
